

**Ikerbasque Permanent Positions 2024: Research
Professors & Research Associates
*BCAM Preselection procedure***

Ikerbasque - the Basque Foundation for Science, would like to inform that they have launched **a new international call** to develop a long-term scientific career in the Basque Country:

10 Permanent Positions for Researchers

Ikerbasque offers 10 positions for postdoctoral researchers, in all BCAM research fields.

This call is open to both:

- **Established researchers**, with 8 to 12 years of postdoctoral experience, will obtain a permanent position as **Research Associates**.
- **Senior leading researchers**, with longer research experience, will obtain a permanent position as **Research Professors**.

Selected candidates will carry out their research in one of the universities of research institutions of the Basque Country.

These positions are financed by the Basque Government, the European Commission and the host institution where the researcher will develop her/his research: therefore, **the acceptance letter of the host institution is mandatory**.

The evaluation committee will only consider the strongest candidates with excellent leadership capabilities and an outstanding research record. Researchers are expected to perform independent research. They should be capable of attracting competitive funding and leading their own research lines.

Required Qualifications

- The applicants must have their PhD degree completed before January 2016.
- Applications from women are especially welcomed.

The procedure will be as follows:

Step 1: Pre-selection of the BCAM candidates:
